ELITE NEWS

HAPPY VALENTINE'S DAY

The dance year is flying by! Recital pieces are coming along nicely. All of our Elite Stars are working so hard. We are bubbling with excitement preparing for recital.

Your student's presence is important! Please let your teacher's know if you are unable to come to a class. It is easier for the whole team to learn when they are all together.

Please remember that costumes need to be covered and put away when they go home. We will wear them to class May 5-10th for costume and hair week.

We are heading into the end of the year, please be sure to check your account and make sure it is current.

If any Elite Stars are interested in cheering on their friends, our competition pieces will be performing at On Point National Dance Competition at Cabell-Midland March 15-17!
